Explanation of our Fees and Charges

Description of Transaction Fees

Details of the fees and charges applicable to RAMS deposit accounts can be found in the RAMS Deposit Rates and Fees flyer. We may elect not to charge a fee, which we are otherwise entitled to charge, under the terms and conditions of the account. Any failure by us to charge a fee shall not constitute a waiver of that fee or the right to charge that fee.

Account Service Fee

There is currently no Account Service Fee charged on any RAMS deposit accounts.

Transaction Fees

Transaction fees are fees for certain customer initiated transactions performed on your account. They are charged for each occasion they are performed.

Fees for usages of overseas ATMs, overseas EFTPOS and non-Westpac Group branded ATMs are debited to your account on the same day (or the next business day) that the cash withdrawal or balance enquiry is made, and itemised separately on your statement.

Non-Westpac Group branded ATMs apply an ATM operator fee by the ATM Owner, which is disclosed at the time of the transaction on the ATM screen.

Transaction fee type	When charged to your account
<p>ATM Cirrus withdrawal or balance enquiry means:</p> <ul style="list-style-type: none"> Any successful cash withdrawal and/or balance enquiry from an ATM terminal outside Australia displaying the Cirrus logo 	<p>On the same day as the transaction was made on the account or the next business day</p>
<p>EFT Maestro cash withdrawal or purchase means:</p> <ul style="list-style-type: none"> Any successful cash withdrawal and/or a purchase from an EFTPOS terminal outside Australia displaying the Maestro logo 	<p>On the same day as the transaction was made on the account or the next business day</p>
<p>Non-Westpac Group branded ATM withdrawal or enquiry means:</p> <ul style="list-style-type: none"> Any successful cash withdrawal or balance enquiry made domestically from a non-Westpac Group branded ATM 	<p>On the same day as the transaction was made on the account or the next business day</p>

Other charges may also apply. These are set out in the RAMS Deposit Rates and Fees flyer.

A guide to using your account

1. Opening your accounts

1.1 Who's eligible to open a RAMS account?

You can open a RAMS account provided the following conditions are satisfied:

- the account is in personal names only
- you are an Australian resident for taxation purposes
- you have an Australian residential address (overseas residential addresses are not acceptable)
- you are 18 years of age or over
- you hold a valid email address and Australian mobile phone number

Accounts cannot be opened in a company or business name, in the name of a trustee of a trust or a superannuation fund, on behalf of a deceased estate, or pursuant to a power of attorney.

You may not open more than 10 RAMS deposit accounts.

1.2 What we need from you

To open any new RAMS account we'll need some important details from you. Apart from details like your name, address, date of birth and your occupation, you'll need to supply certain information to us.

1.3 If this is your first account with us

Under the Anti-Money Laundering and Counter-Terrorism Financing Act 2006, everyone who opens an account, along with all signatories to the account, must be identified, so if you're opening an account for the first time this applies to you. If our online verification process is unable to identify you to our satisfaction, or if you elect to undertake manual identification at a Westpac Group branch, we will provide you with instructions on how to satisfy our requirements.

If the account holder or any of the signatories to an account are not identified in terms of the Act, the account will be blocked for all withdrawals, until they are identified.

If you are an existing customer, you may have already provided the identification required so you don't need to provide it again unless you are asked to do so by us.

1.4 Switching to a RAMS account

If you are seeking to switch your personal transaction account from another financial institution in Australia, we can assist in that switching process.

2. Providing us with your Tax File Number

Each time you open an account that earns interest, you'll be asked if you wish to provide your Tax File Number. That's because, under Federal law, accounts earning interest are subject to A New Tax System (Pay As You Go) Act 1999.

For joint accounts, the Tax File Numbers for both account holders are required.

2.1 What happens if I don't provide my Tax File Number?

Providing us with your Tax File Number is advisable but not compulsory. However, if you choose not to provide it,

we are required to deduct withholding tax at the highest marginal tax rate – plus the Medicare Levy, when you earn interest income of \$120 or more a year pro-rata.

2.2 When don't I need to provide a Tax File Number?

Depending on your circumstances, you may be able to claim an exemption from quoting your number, and withholding tax will not be deducted. You will need to tell us the type of exemption you are claiming. Those eligible include most pensioners.

The information contained in the section 'Providing us with your Tax File Number' does not constitute tax advice and is based on current tax laws and their interpretation.

2.3 Will we disclose any information to the Australian Taxation Office about your accounts?

We are required to report details of interest/dividend income earned, withholding tax deducted and Tax File Numbers quoted on an account, to the Australian Taxation Office.

The collection of Tax File Numbers and their use and disclosure are strictly regulated by the Privacy Act 1988.

3. Opening a joint account

You may open an account jointly with another person. RAMS deposit accounts are limited to 2 account holders. The credit balance of an account held in joint names is held jointly by both account holders, which means each account holder has the right to all funds in the account. Where you open a joint account, you will be asked to provide the email address and mobile phone number of the joint account holder. RAMS will contact the joint account holder and ask them to complete the account opening process. By providing the personal information of the joint account holder you acknowledge that you are authorised to do so and agree to inform them who we and RAMS are, that we and RAMS will use and disclose their information to contact them and complete the application for the account and that they can access the information we and RAMS may hold about them.

The joint account holders can operate the account independently. This means we can take instructions from either joint account holder, including instructions regarding the method of receiving account statements.

If we are made aware of any dispute on a joint account, we may require both account holders to authorise any operation on an account.

It's important to understand what each account holder's responsibilities are prior to undertaking any financial commitment jointly.

Always consider that:

- when an account is held in joint names and one account holder dies, we will treat the credit balance in the account as owing to the surviving account holder; and
- the liability of joint account holders on an account is joint and several, so if one of the joint account holders overdraws the account, each joint account holder may be liable for payment of all or any part of the amount overdrawn.

4. Opening an account held in trust, in the name of a minor, or for a company

You cannot open a trust account, that is, an account where the account holder holds the proceeds of the account on behalf of another person.

RAMS accounts cannot be opened in the name of a person under the age of 18, or in the name of a company or incorporated association.

5. Giving someone else the authority to use your account

You cannot authorise another person, who is not a joint account holder, (for example your accountant) to operate your RAMS accounts.

6. Operating your accounts

6.1 Current account information

You can get up-to-date information on your accounts 24 hours a day, 7 days a week by logging on to myRAMS.

Accessing this information is free.

6.2 Overdrawing your accounts

You should not make a withdrawal transaction which:

- takes your account(s) into negative/debit balance;
- means you will incur fees which will take your account(s) into negative/debit balance (or fees and/or interest charges which will take your account(s) further into negative/debit balance); or
- draws against uncleared funds. While we are under no obligation to do so on any particular occasion, we may permit you to overdraw your account as described above. This may be by paying transactions made using channels such as periodical payments, direct debit, or by making a withdrawal transaction through a Westpac Group ATM or other electronic transaction channel. If you make a withdrawal transaction in any of the circumstances set out above, we will treat the transaction as an application by you for credit.

Where we honour a payment and your account(s) show a negative/debit balance

If:

- we do pay a transaction which overdraws your account(s); or
- a fee or charge debited to your account(s) results in a negative balance in your account(s), then you will, at the time the negative balance arises, owe us a debt of the amount by which your account(s) are overdrawn.

If we do allow you to overdraw your account:

- we may charge you a fee;
- you agree to pay us debit interest on the amount overdrawn – see clause 7.3 for details;
- you must repay the overdrawn amount immediately without further demand from us; and
- you agree to pay us any reasonable legal fees we incur in seeking to recover the overdrawn amount from you.

You must ensure that you do not overdraw your account(s) regularly. Even if we do honour a transaction, or do so more than once, it does not mean we have any obligation to do so in the future.

If you make a transaction from your account(s) and there are insufficient funds available within the account(s) or the funds have not been cleared, your payment may be dishonoured

When your credit rating could be affected

If your account(s):

- become overdrawn without arrangements; and
- remain overdrawn for more than 60 days after the end of the 20 day period we allow for you to repay the amount overdrawn,

then we may commence enforcement action and disclose your default and certain personal information to a credit reporting body.

Under the Privacy Act 1988, a credit reporting body (within the meaning of that Act) may collect and hold default information (within the meaning of that Act) in relation to the default. A default listing with a credit reporting body will remain on your file for a period of up to 5 years and may affect your ability to obtain finance or credit.

The privacy page of our website rams.com.au includes a “Statement of Notifiable Matters”. These are matters you should be aware of in relation to the use and disclosure of your credit information. This statement includes:

- details of the credit reporting bodies to which we are likely to disclose your credit information, the types of credit information we may give them and how this information will be used;
- your rights over your credit information, including how you can access and correct your information and make complaints;
- your rights to direct a credit reporting body to limit the use of your information for direct marketing purposes and what protections are available if you believe you are a victim of fraud; and
- information about our Credit Reporting Policy.

You can call **13 7267** or visit any RAMS Home Loan Centre for a hard copy of the Statement of Notifiable Matters.

6.3 Are you having financial difficulty?

When you overdraw your account, there may be occasions when repaying this debt becomes difficult. Should this arise, you should promptly contact us by calling **13 RAMS, that's 13 7267** to discuss options that may be available.

7. Interest rates that may apply on your account

Interest rates on all accounts may change at our discretion.

7.1 Interest that's paid to you

For accounts on which interest is payable, the interest rates that apply to credit balances of your account for each day are displayed at **RAMS.com.au**. You can obtain the current interest rate by visiting **RAMS.com.au**.

Credit interest is credited to your account(s) at the end of the last day of each calendar month and will be available to you on the first day of the following month.

We do not pay interest on your RAMS Action account while it is linked to an eligible RAMS home loan using the offset feature.

7.2 How the interest you earn is calculated and paid

Deposit interest and debit interest (if applicable) is calculated on the daily closing balance of your account using the following formula:

$$\frac{\text{Daily closing balance}}{365} \times \frac{\text{Interest rate}}{100}$$

For all accounts, balances in your account on the last day of the month, including deposits, but excluding interest posted on the last day of the month, will be included in the balance on which interest for that month is calculated.

7.3 Interest rate types

Listed below are details of the interest rate types specific to our accounts.

Interest rate types – tiered

Different interest rates (tiered rates) apply to different account balances, up to a limit we set. That limit is set out in the RAMS Deposit Rates and Fees flyer. No interest is payable on the entire balance of your account if the balance exceeds the limit. Tiered rates of interest are paid on RAMS Saver and RAMS Action accounts.

Debit interest

To avoid being charged interest on any unarranged debt, you should always try to keep a positive balance in your deposit accounts. If your account becomes overdrawn without arrangement, debit interest may be charged to that account. If so, it will be calculated on the debit balance (and deducted at the end of the last day of each month) using the then current Unarranged Lending Rate (ULR). Interest is calculated daily on the debit balance until the account balance is positive again (and deducted at the end of the last day of each month). You can find out the current ULR by calling **13 RAMS, that's 13 7267**.

7.4 Bonus interest

Bonus interest will be payable on your RAMS Saver account for each month in which, during that month:

- your account balance has not been less than \$0 at any time;
- you have made deposits totalling at least \$200 into the account;
- you have made no withdrawals from the account; and
- your account balance has not exceeded \$500,000 at any time.

If you make a deposit during the month which is not processed to your account until the following month, that deposit will count towards your bonus interest qualification in the following month.

7.5 Interest offset facility

Linking your RAMS Action account to an eligible loan account you hold with us may reduce the amount of interest payable on the linked loan account. Details of how an interest offset facility may reduce the interest payable on your loan account are set out in the terms and conditions applying to your loan account.

No interest will be paid to you on your RAMS Action account (including if the balance of your RAMS Action account exceeds the amount owing on the linked loan account).

Not all loan accounts may be linked to a RAMS Action account under an interest offset facility. Contact us by calling **13 RAMS, that's 13 7267** to find out whether your loan account may be linked.

Your RAMS Action account may not be linked to more than one loan account under an interest offset facility at any one time. If an account holder of the RAMS Action account is not also a borrower, the accounts may not be linked.

If you link your RAMS Action account to an eligible RAMS home loan, credit interest will stop being earned from the close of business on the day before the change is processed, and credit interest (if any) will be credited to the RAMS Action account on the day of processing. The offset facility will commence immediately.

If you request us to de-link your RAMS Action account from your eligible RAMS home loan, your RAMS Action account will be de-linked immediately. The final offset interest calculation will take place on the day prior to the date of your request, and credit interest will start accruing on your RAMS Action account from the day the de-linking occurs. If the balance of your eligible RAMS home loan account is zero, or it has a positive (credit) balance, you will not earn interest on the RAMS Action account unless you ring us on **13 RAMS, that's 13 7267** and request that the RAMS Action account be de-linked, or the eligible RAMS home loan account is closed.

When your linked loan account is closed, or is converted to a loan account type that cannot be linked to a RAMS Action account, the standard terms and conditions of a RAMS Action account at that time will apply.

8. Stopping or varying a periodical payment or regular transfer

When you have authorised us to make regular automatic payments from your account, and you want to stop or vary these payments, you can do so by logging in to myRAMS and stopping or varying the payment. You must do this at least one business day before the next payment is scheduled.

9. When you haven't used your account for over 3 months

9.1 Inactive accounts

If your account becomes inactive we may close your account without any notice to you.

Your account becomes inactive if:

- you do not make any deposits and/or withdrawals during a continuous three month period; and
- the balance of your account is nil or in debit without any arrangements.

9.2 Unclaimed monies

If you have not used your account for seven years we may close your account, and we will generally have to transfer any money in your account to the government. We will usually notify you before we close your account, but there may be circumstances where we are not able to (such as where our record of your address is out of date). After your account is closed any money owed to you will not earn interest.

Call **13 RAMS, that's 13 7267**, to find out how to recover unclaimed money (it may take three months or more to recover money that has been transferred to the government).

10. When we can combine your accounts

Deposit accounts should not be overdrawn. If you overdraw your account, we may automatically combine your accounts: that is, transfer sufficient money which is kept in any other account with us (including accounts you hold with other regional banking brands in our national network), held in your name(s), to clear the debt.

We may also transfer money kept in your deposit account(s) to clear debts which you owe us in other loan or deposit accounts. If we do this, the balance of the account from which we have transferred the money will reduce by the amount used for this purpose.

You agree that you may not set off any amounts we owe you (for example, credit balances in your other accounts) against amounts you owe us.

If we exercise our right to combine accounts, we will notify you promptly in writing at the address shown in our records.

11. Closing your accounts

You can close your accounts at any time simply by calling **13 RAMS, that's 13 7267**.

On rare occasions we may also exercise our discretion to close accounts due to unsatisfactory conduct or for any other reason we deem appropriate, such as where an account is held in trust, or is being operated by a company.

If this happens, we will notify you in writing at the address shown on our records and deposit the net credit balance to an account you nominate, or alternatively we may post a bank cheque to the address shown on our records.

11.1 How your closing balance (Termination Value) is calculated if your account balances are in credit

The net credit balance of your accounts is calculated as credit balance plus accrued deposit interest, if any, less any accrued account fees, accrued debit interest and government charges applicable up to the closing date. Monthly fees (if applicable) will apply even though the accounts have been open for only part of the month.

11.2 How your closing balance (Termination Value) is calculated if there are uncleared funds or your accounts are overdrawn

We cannot make available any uncleared funds at the time you request that the accounts be closed, until those funds become cleared. If the accounts have a debit balance, you must pay to us the balance plus any accrued debit interest, any applicable account fees including monthly or quarterly fees and government charges applicable up to the closing date.

11.3 Things to remember when closing your accounts

When you close your accounts, make sure you notify anyone who either directly credits or debits your accounts and be sure to cancel any Periodical Payments or regular transfers either to or from the accounts you are closing.

12. Account Statements

Statements are an important part of your banking and finances in general. We will make your account statements available online, and will notify you by email to your nominated email address when they are available for viewing. Statements will issue every six months, however you can ask us to make them available more frequently. We may not provide you with a statement for a statement period if your account has a zero balance and there were no transactions during that period.

You can elect to have your statements posted to you. Contact us on **13 RAMS, that's 13 7267**. If you elect to receive your statements in the mail, you can select the electronic statement option again later through myRAMS.

Please be advised that:

- all entries on statements should be checked carefully and any apparent or possible unauthorised transaction promptly reported to us;
- you can query any entry on your statement by contacting us on **13 RAMS, that's 13 7267**;
- you should retain transaction records or transaction record numbers to confirm against items appearing on the statement of your account;
- it will assist any claim you may need to make regarding any lack of authority, including forgery, or any other discrepancy if you notify us, within three months of receiving your statement of account, if any amounts have been debited to your account without your authority.

You don't need to register for BPAY bill payment facility, all you need to do is log on to myRAMS, and select bill payments or BPAY from the menu.

Then simply provide the biller code and reference number that appears on the bill or invoice, and a description that will appear on your statement. We'll debit your nominated account with the amount you specify.

You can arrange a BPAY payment to be made in the future. Cleared funds must be available in the account the day before the payment is made and remain in the account until the payment is made. When scheduling multiple payments and choosing an end date, please note that the 'Last Payment Date' is the date your scheduled payments will expire, and no payment will be processed on or after this date. Please take this into consideration when setting up the date of your last scheduled transfer as the end date is the first date on which the payment will not be made.

Details of BPAY payments, including the details you include in the description when setting up the payment, will appear on your account statement.

20.3 Rules about BPAY

We are a member of the BPAY Electronic Payments Scheme (BPAY Scheme). You can ask us to make payments on your behalf to billers who wish to receive the payments through the BPAY Scheme. The BPAY Scheme cannot order a stop payment once you have instructed us to make that payment.

BPAY payments can be initiated through myRAMS. The following terms and conditions apply to BPAY through myRAMS.

20.4 Future dated payments

A payment may not be able to be made due to insufficient funds, an invalid account or because the biller no longer participates in the BPAY Scheme.

20.5 BPAY payments and system cut-off times

Billers participating in the BPAY Scheme will treat BPAY payments you make as received according to the table below:

If the BPAY payment is made	Payment will register as received
Before 4:00 pm Sydney time on a business day	On the date that you make the BPAY payment
After 4:00 pm Sydney time on a business day	On the next business day
On a non-business day	On the next business day

20.6 Delays

Delays might occur because we received your BPAY instructions after the times referred to above or because another participant in the BPAY Scheme is not complying with its obligations. We cannot be responsible for such delays.

If we are advised that your BPAY payment cannot be processed by a biller, we will credit your account with the amount of the BPAY payment, and take all reasonable steps to assist you in making the BPAY payment as quickly as possible.

20.7 Other concerns and their solutions

Please tell us promptly if:

- you become aware of any delays or mistakes in processing your BPAY payments;
- you did not authorise a BPAY payment that has been made from your account;
- you think that you have been fraudulently induced to make a BPAY payment.

We will attempt to rectify any such BPAY payments in the way described in the liability section below. However, except as set out in the liability section, we will not be liable for any loss or damage you suffer as a result of using the BPAY Scheme. If you make an erroneous or mistaken payment, this will not satisfy part or whole of your underlying debt to the biller.

20.8 If you suspect fraud

If you make a BPAY payment because of the fraud of a person involved in the BPAY Scheme (e.g. a biller), then that person should refund you the amount of the fraud induced payment. If you are not able to obtain a refund then please advise us and we will inform you of other rights of recovery you may have under the BPAY Scheme rules.

20.9 Consequential loss

We are not liable for any consequential loss or damage you suffer as a result of using the BPAY Scheme, other than in relation to any breach of a condition or warranty implied by law in contracts for the supply of goods and services which may not be excluded, restricted or modified at all, or only to a limited extent.

20.10 Liability for BPAY transactions

With respect to BPAY transactions, the account holder will not be liable for loss of funds if a BPAY payment is made:

- to a person or for an amount which is not in accordance with the user's instructions; or
- in accordance with a payment direction which appeared to us to be from a user or on a user's behalf but for which a user did not give authority; and
- the account was debited for the amount of that payment.

In these situations, we will credit that amount to the account.

In situations where the account holder is liable for loss of funds by virtue of the above liability provisions, the account holder must pay us the amount if, after 20 business days of us attempting to recover it from the payee, we cannot do so.

21. Rules about depositing cheques

21.1 Third party cheque deposits

Cheques can only be deposited into the account of the person(s) named as payee on the cheque.

21.2 Withdrawing money from a deposited cheque

Funds may be withdrawn after three business days from the date the cheque is deposited to your account. (In certain uncommon circumstances, this may be extended by a further one, or even two, business days). If you require access to these funds earlier, you can apply for a Special Answer. This is only done at our sole discretion and you should contact **13 RAMS, that's 13 7267**. When drawings are made before a deposited cheque is cleared, you will have to reimburse us if the cheque is subsequently dishonoured. A cheque is dishonoured when there aren't sufficient funds in the account of the writer of the cheque or there is some irregularity in connection with the cheque.

21.3 Dishonoured cheques deposited into your account

If a cheque is returned to us unpaid it means it has been dishonoured by the bank on which the cheque was drawn. If that happens we may return the cheque to you. We will also reverse the entry in your account, that is deduct the amount we credited. We will make consequential changes to the interest payable, or already paid, on your account. Where a cheque deposited to your RAMS Action account is dishonoured while your RAMS Action account is linked to an eligible RAMS home loan account, the interest offset calculation will be adjusted to take account of the dishonoured cheque. If the cheque you deposited is not paid, it is your responsibility to pursue payment from the person who gave it to you.

There are a number of reasons why a cheque may be dishonoured, some of which are:

- there are insufficient available funds in the account of the drawer (the person who signed the cheque) to cover the amount written on the cheque;
- the cheque is not signed, the signature is not valid or more than one signature is required;
- the cheque is post-dated – i.e. presented for payment before the date that is written on it;
- the cheque is stale – presented for payment more than 15 months after the date written on it;
- the cheque has been materially altered without the alterations being properly signed or initialled by the drawer or another authorised person;
- the cheque has been ‘stopped’ by the drawer;
- there is a court order which prevents the drawer’s account being used;
- we have been notified of the drawer’s death, mental incapacity or bankruptcy.

21.4 When depositing a cheque

Please ensure you write your full name and the account number to which you want the cheque deposited on the back of the cheque. This will help us to identify the correct account and helps to expedite depositing of your cheque.

If you deposit a cheque from someone else and it is dishonoured (known as an ‘inward dishonour’), you will not be charged a fee. If a cheque has not been cleared, we will notify you as soon as possible.

22. RAMS debit card

When you first open your accounts, you may be offered a RAMS debit card. You can use your RAMS debit card to get instant access to your funds at ATMs and at outlets that have EFTPOS, within Australia. In addition, you can use your RAMS debit card:

- to make purchases overseas wherever you see the Maestro logo
- to access funds at ATMs overseas displaying the Cirrus logo
- to make cash and cheque deposits, and cash withdrawals, at any Australia Post branch using Bank@Post

When you make a transaction at an ATM or EFTPOS terminal, you authorise us to act on the instructions you enter into the terminal. You should ensure that the transaction amount is correct before you perform a transaction using your RAMS debit card. By proceeding with the transaction you indicate your agreement that the transaction amount is correct.

A RAMS debit card comes free with your account, although they are not available on RAMS Saver accounts. If you decide not to obtain a RAMS debit card at the time you open your RAMS Action account, you can apply for one at any time in the future. Simply call **13 RAMS, that’s 13 7267**. You must have an Australian residential address in order to apply for a RAMS debit card. Fees and charges may apply for replacement debit cards – see the RAMS Deposit Rates and Fees flyer for details on fees. Please refer to the RAMS debit card Conditions of

Use for full terms and conditions applicable to the RAMS debit card.

23. Using your card at EFTPOS terminals

RAMS debit cards are accepted at any EFTPOS location in Australia, and at EFTPOS locations overseas wherever you see the Maestro logo.

At various retail and service outlets you have the convenience of paying for goods and services and (at some outlets) obtaining cash directly from your account (known as ‘cash out’) by presenting your RAMS debit card.

24. Using your RAMS debit card

You can use your RAMS debit card to purchase goods and services from merchants or withdraw cash from ATMs in the following ways:

In Australia or overseas:

- by pressing the ‘cheque’/‘savings’ option (if applicable) on an eftpos device and entering your PIN; and
- withdraw cash at eligible ATMs – by pressing the ‘savings’ button (if applicable) and entering your PIN.

In Australia only:

- inserting or swiping your RAMS debit card at an eftpos device and pressing the ‘cheque’/‘savings’/‘eftpos’ option (if applicable) and entering your PIN;
- withdraw cash at the eftpos device at some merchants – by pressing the ‘cheque’/‘savings’ button (if applicable) and entering your PIN; and
- if your RAMS debit card has Tap & Pay™, by holding your RAMS debit card in front of the contactless terminal and waiting for the transaction to be confirmed. In Australia, there is no need to sign or enter a PIN for purchases under \$100 with Tap & Pay™. At merchants overseas you may not need to sign or enter a PIN for small value transactions. Some fees and charges may apply when you use your RAMS debit card. Refer to the RAMS Deposit Rates and Fees flyer for details.

25. Authorising RAMS debit card transactions

Generally all transactions will need to be authorised by us before they can proceed. The purpose of this authorisation is to confirm that there are sufficient funds in the account for the transaction.

26. Rules about your RAMS debit card

26.1 RAMS debit card does not provide credit

Subject to clause 6.2 (overdrawing your accounts), we do not agree to provide any credit in respect of your RAMS debit card. Pressing the ‘credit’ button at ATMs to make withdrawals, or at EFTPOS terminals gives you access to the funds available in your account and does not provide you with any credit in respect of the account.

26.2 Your card and PIN

A RAMS debit card and your PIN will be mailed to you separately after the account is opened, if you have requested a RAMS debit card. A RAMS debit card will be issued up to 5 business days after the account is opened. You will need to call **13 RAMS, that's 13 7267** to activate your debit card before you can use it. We will not activate your debit card until all account holders have been satisfactorily identified – see clause 1.3 of these terms and conditions.

Your PIN will be a four digit number allocated to you by us or you can change your PIN to another four digit number you have personally selected via myRAMS. Refer to the myRAMS Terms & Conditions for more information. See clause 27.3 for restrictions that apply to the four digit number you select.

For information on liability for RAMS debit card usage and PIN/code protection please refer to clauses 27 and 28 in this booklet.

26.3 Card validity and expiry

When cardholders receive their RAMS debit card, for security reasons, they must sign it immediately. It expires at the end of the 'valid thru' date.

As soon as a card expires, ensure that you destroy it by cutting it into several pieces and disposing of them securely.

26.4 Daily withdrawal limit

A maximum daily transaction limit of \$1000 applies across:

- cash withdrawals through ATMs
- transactions through EFTPOS terminals
- transactions at Bank@Post.

You will subsequently be advised of any changes we make to our daily transaction limit. Merchants or other providers may also set additional limits.

26.5 Card cancellation

We may cancel any card at any time, without prior notice. Once you are notified of the cancellation, you must not use your card. You must destroy it by immediately cutting into several pieces and disposing of them securely.

You may contact us to cancel your card at any time by calling **13 RAMS, that's 13 7267** or by returning the card to us. A cancellation may not be effective until you have returned the card to us.

If you close your accounts or where the card has been cancelled, the account holder will remain liable for transactions made using the card prior to or after its cancellation or closure of the accounts.

26.6 Card re-issue

We may issue a new card to you at any time. All re-issued cards are subject to the terms and conditions of the card. We reserve the right not to re-issue a card.

26.7 All cards remain our property

All cards remain the property of Indue and you are required to return the card to Indue on:

- our request;
- cancellation of your card;
- closure of all of the accounts which are linked to your card;
- termination of your authority to operate all accounts which are previously linked to your card;
- if the account(s) linked to the RAMS debit card is closed, the card will be automatically cancelled.

26.8 Overseas transactions

26.8 Overseas transactions

Customers can access their funds in their account at any international ATM where the Cirrus logo is displayed, and at EFTPOS locations overseas wherever the Maestro logo is displayed, by using their RAMS debit card and PIN.

Indue processes foreign currency transactions, including charges incurred and refunds made, and converts those transactions into Australian dollars. Transactions made in a foreign currency are converted to Australian dollars at a rate set by MasterCard. That rate may differ from the rate applicable to the date the transaction occurred, or the date when the transaction is posted to your account.

Please note that exchange rates quoted by us in Australia are not used to convert foreign currency transactions to the Australian dollar equivalent.

26.9 Statements

You should keep all vouchers and transaction records given to you when using your card. You can use these to verify the transactions on your account.

Anyone who has your card and PIN or Codes can make transactions on your accounts, so you must take special care to protect them.

Security and liability for Card and myRAMS usage

27. Protecting your card, your PIN and myRAMS password

27.1 Protecting your Card

To protect your Card you must:

- sign it as soon as you receive it;
- carry it with you whenever you can;
- regularly check that you still have your card;
- not give your card to anyone else, including a family member or friend.

27.2 Card and PIN

If you make a record of your PIN, you must keep it separate and well away from your card unless the PIN is reasonably disguised. However, to minimise the risk of unauthorised transactions occurring on your account, it is best to keep your PIN record, even if disguised, separate and well apart from your card.

For example, you must not keep your card and undisguised PIN together:

- in a wallet, bag or briefcase even if in different compartments;
- in your car, even if in different areas of your car;
- in your office or at home in the same room;
- in any other situation where your card and PIN can be found and used.

27.3 Protecting your PIN and myRAMS password

To protect your PIN and myRAMS password you must:

- try to memorise them;
- destroy our letter telling you your PIN (if applicable) and any documentation we issue to you containing your myRAMS password;
- not write your PIN on your card, even if it is disguised;
- not keep a record of your PIN with or near your card;
- never write or record your PIN on a device that is also needed to perform a transaction, or keep a record of the PIN on anything:
 - (i) carried with a device, or
 - (ii) liable to loss or theft simultaneously with a device;
- not tell anyone your PIN or myRAMS password including family members or friends;
- when selecting your myRAMS password, not select one that reflects your name, birth date, car registration, telephone number or postcode, licence number or government benefit number;
- if you select your own PIN, do not select a number that can be easily guessed, such as part of the data imprinted on your card, a previously selected PIN, consecutive numbers, one number repeated or numbers which form a pattern, or that can be easily be associated with you, such as your date of birth, telephone number or drivers licence

- make sure that nobody watches you or hears you when you are entering or using your PIN or myRAMS password with any electronic equipment;
- never enter your PIN in an electronic banking terminal that does not look genuine, has been modified, has a suspicious device attached to it or is operating in a suspicious manner;
- be ready to make a transaction when you approach an ATM or EFTPOS terminal;
- make sure that you do not leave anything behind when you complete a transaction including leaving your card unattended in or at an ATM;
- notify us immediately if your PIN mailer has not been received intact or if you detect that your PIN has been changed by someone else.

If you have selected your own Codes, you should try to change it at regular intervals (say, every two years).

If you make a record of your Codes you must either take reasonable steps to prevent unauthorised access to the record or ensure the record is reasonably disguised.

We do not consider that you have made a reasonable attempt to disguise a Code if you only:

- record it in reverse order;
- record it as a series of numbers with any of them marked to indicate the Code;
- record the Code as a telephone number, with the Code in its correct sequence anywhere within the telephone number;
- record the Code as a telephone number where no other telephone numbers are recorded;
- disguise the Code as a date or as an amount. There may be other forms of disguise which may be similarly unsuitable because of the ease of another person working out your Code.

Please note: liability for losses resulting from unauthorised transactions is determined under the relevant provisions of the ePayments Code, notwithstanding the obligations listed above.

27.4 Loss or theft of a Card, PIN or myRAMS password

You must immediately notify us if your card, PIN or myRAMS password is lost or stolen, or you suspect that unauthorised transactions have been made on any account. This will enable us to put a stop on your card, or cancel your myRAMS password, straight away preventing or minimising losses resulting from unauthorised transactions and your potential liability for such losses (refer to clause 28 in this booklet).

The best way to contact us is by calling:

- **13 RAMS, that's 13 7267** if you are calling within Australia;
- +61 2 9647 6967 if you are calling from overseas.

We will give you a reference number that verifies the date and time you contacted us. We will then cancel the relevant PIN and a new PIN will be posted to your mailing address.

If you cannot notify us because the phone line is unavailable, you are not liable for any unauthorised transaction that could have been prevented if you had been able to contact us by phone, provided you tell us within a reasonable time after the phone line becomes available again.

28. Liability for unauthorised transactions

28.1 When the account holder is not liable

The account holder will not be liable for losses resulting from unauthorised transactions where it is clear that the user has not contributed to the loss.

The account holder will not be liable for losses resulting from unauthorised transactions that:

- are caused by the fraudulent or negligent conduct of our staff or agents or of companies involved in networking arrangements or of merchants (i.e. providers of goods or services) who are linked to the electronic funds transfer system or of their agents or employees; or
- require the use of a card, PIN or other Code and happen before the user receives their card, receives their PIN or receives or selects their Codes (as the case may be), including a replacement or reissued card or Code; or
- require the use of a card and/or Code and happen after we have been notified that the card has been misused, lost or stolen or that the security of the Code has been breached; or
- require the use of a card and happen after you have requested us to cancel a card and have returned the card to us; or
- are made with a card or Code that is forged, faulty, expired or cancelled; or
- are the result of the same transaction being incorrectly debited more than once to the same account; or
- are electronic transactions able to be made using an identifier without a Code or Device; or
- are electronic transactions able to be made using a Device and not a Code, provided the account holder did not unreasonably delay in reporting the loss or theft of the Device.

28.2 When the account holder is liable

The account holder will be liable for losses resulting from transactions which are carried out by the user, or by another person with the user's knowledge and consent. The account holder will be liable for actual losses resulting from unauthorised transactions caused by the user:

- engaging in fraud; or
- voluntarily disclosing their Codes to anyone, including a family member or friend; or
- keeping a record of a PIN:
 - without making a reasonable attempt to disguise it or to prevent unauthorised access to it; and
 - in a way that it could be lost or stolen with their card; or
- keeping a record of a myRAMS password
 - without making a reasonable attempt to disguise it or to prevent unauthorised access to it; and
 - recording the customer identification number and the

myRAMS password in a way that they could be lost or stolen together; or

- writing their PIN or a disguised record of their PIN on their card; or
- selecting a myRAMS password which represents their birth date, or being an alphabetical code which is a recognisable part of their name, after we have asked them not to select such a code and told them of the consequences of doing so; or
- leaving a card in an ATM (provided the ATM incorporates reasonable safety standards that mitigate the risk of a card being left in an ATM); or
- acting with extreme carelessness in failing to protect their Codes.

The account holder will also be liable for actual losses resulting from unauthorised transactions caused by the user unreasonably delaying notifying us of the misuse, loss or theft of their card, or of their Codes becoming known to someone else. The account holder's liability will only extend to losses which occur between the time when the user became aware (or should reasonably have become aware) of such misuse, loss or theft and when we were actually notified.

However, the account holder will not be liable to pay for:

- that portion of the losses incurred on any one day which exceed the daily transaction limit applicable to the card, their account(s) or the relevant Device;
- that portion of the losses incurred which exceed the balance of their account(s); or
- losses incurred on any accounts which we and the account holder had not agreed could be accessed using the relevant Device; or
- losses incurred after we have been notified that the card or other Device has been misused, lost or stolen or that security of the Code has been breached.

The account holder's liability is subject to us proving on the balance of probability that the user contributed to the losses in one or more of the ways listed above.

If more than one Code is required to perform a transaction and we prove that a user breached the security requirements for one or more, but not all, of those Codes, you will be liable under this clause only if we also prove, on the balance of probabilities that the breach of the security requirements was more than 50% responsible for the losses.

28.3 When limited liability applies

The account holder will only be liable for losses resulting from unauthorised transactions to a limited extent, in circumstances where a Code was required to perform the transaction and it is unclear whether the user contributed to the loss. The account holder's liability in such cases will be the least of:

- \$150; or
- the balance of the account(s); or
- the actual loss at the time we are notified of the misuse, loss or theft of the card or of the Code(s) becoming known to someone else (excluding that portion of the loss incurred on any one day which exceeds the applicable daily transaction limit).

Notwithstanding anything else in these terms and conditions, for transactions governed by the ePayments Code, we do not deny a user's right to claim consequential damages resulting from a malfunction of a system or equipment provided by a party to a shared electronic payments network that you are entitled to use pursuant to these terms and conditions (such as a merchant or us) except where a user should reasonably have been aware that the system or equipment was unavailable or malfunctioning, in which case our liability for any loss arising from the equipment or system unavailability or malfunction is limited to:

- (a) correcting any errors; and
- (b) refunding any fees or charges imposed on the user.

29. Mistaken internet payments

This clause 29 does not apply to BPAY payments. See clause 20 for information about BPAY payments.

29.1 Reporting mistaken internet payments

You should report mistaken internet payments to us as soon as possible after you become aware of them. You can report mistaken internet payments to us by:

- calling us on **13 RAMS, that's 13 7267** if calling within Australia
- calling us on +61 2 9647 6967 if calling outside Australia
- completing the form available on myRAMS if within Australia or overseas

We will acknowledge receipt of your report and update your records with the date and time you made the report.

29.2 Dealing with mistaken internet payments

Mistaken internet payments will be dealt with by us in accordance with the ePayments Code, where the ePayments Code applies to the payment. Set out in clauses 29.3 and 29.4 is a summary of the processes in the ePayments Code.

We may be the sending institution, namely the financial institution whose customer made the payment or the receiving institution, namely the financial institution whose customer received the payment (this customer is the unintended recipient of the payment). We will be the sending institution where the payment is made from your account. We will be the receiving institution where the payment is made to your account.

Where a financial institution other than us is the receiving or sending financial institution, we cannot guarantee that it will follow the processes in the ePayments Code. A financial institution is unlikely to follow these processes if it is not an authorised deposit-taking institution for the purposes of the Banking Act 1959 (Cth). We are not liable for any loss suffered if it does not follow those processes.

Where the sending institution is not satisfied that a payment is a mistaken internet payment, it is not required to take any further action.

Notwithstanding anything set out below, where the unintended recipient of the mistaken internet payment is receiving income support payments from Centrelink, the receiving institution must recover funds from that recipient in accordance with the Code of Operation for Centrelink Direct Credit Payments.

Where you or another financial institution advises us that you are, or we think you may be, the sender or recipient

of a mistaken internet payment, you must give us, as soon as reasonably practicable and within the time we request, any information we reasonably require to enable us to determine whether the payment was a mistaken internet payment.

29.3 Where sufficient funds are available in the unintended recipient's account

Where the sending institution is satisfied that the mistaken internet payment occurred and there are sufficient credit funds available in the account of the unintended recipient to the value of the mistaken internet payment, the process that will apply will depend upon when the report of the mistaken internet payment is made:

Where the report is made within 10 business days of the payment:

- if the receiving institution is satisfied that a mistaken internet payment has occurred, it will return the funds to the sending institution within 5 business days of the request or any reasonably longer period up to a maximum of 10 business days.

Where the report is made between 10 business days and 7 months of the payment:

- the receiving institution will investigate the payment and complete the investigation within 10 business days of receiving a request.
- if the receiving institution is satisfied that a mistaken internet payment has occurred, it will prevent the unintended recipient from withdrawing the funds for a further 10 business days and notify the unintended recipient that they will withdraw the funds if that recipient does not establish that they are entitled to the funds within that 10 business day period.
- If the unintended recipient does not establish they are entitled to the funds within that time, the receiving institution will return the funds to the sending institution within 2 business days of the end of that period.

Where the report is made after 7 months of payment:

- If the receiving institution is satisfied a mistaken internet payment has occurred, it must seek the consent of the unintended recipient to return the funds.

In each case where the receiving institution is not satisfied that a mistaken internet payment has occurred, it may (but is not required to) seek the consent of the unintended recipient to return the funds.

Where the funds are returned to the sending institution, it will return the funds to the holder as soon as practicable.

29.4 Where sufficient funds are not available

Where both the sending and the receiving institution are satisfied that a mistaken internet payment has occurred but there are not sufficient credit funds available in the account of the unintended recipient, the receiving institution will use reasonable endeavours to recover the funds from the unintended recipient.

29.5 Where you receive a mistaken internet payment

Where:

- (a) both we and the receiving institution are satisfied that a payment made to your account is a mistaken internet payment; and

- (b) sufficient credit funds are available in your account to the value of that payment; and
- (c) the mistaken internet payment is reported 7 months or less after the payment; and
- (d) for mistaken internet payments reported between 10 business days and 7 months of the payment, you do not establish that you are entitled to the payment within the relevant 10 business day period referred to in clause 29.3.

we will, without your consent, deduct from your account an amount equal to that mistaken payment and send that amount to the financial institution of the payer in accordance with clause 29.3 above.

If there are insufficient funds in your account, you must co-operate with us to facilitate payment by you of an amount of the mistaken internet payment to the payer.

We can prevent you from withdrawing funds the subject of a mistaken internet payment where we are required to do so to meet our obligations under the ePayments Code.

29.6 Liability for losses arising from internet payments

You must ensure that internet payment details are correct. You and your user are solely responsible for providing correct payment details including amount and payee details. We will return to you any funds recovered by us on your behalf from an unintended recipient in respect of a mistaken internet payment but otherwise have no liability to you or your user for any payment made in accordance with details provided by you or your user including mistaken internet payments.

General Matters

30. The Code of Banking Practice

This is a self-regulatory Code adopted by us and other banks. Its purpose is to set standards of good banking practice for banks to follow when dealing with persons who are, or who may become, their individual and small business customers and their guarantors. We actively comply with this Code.

Each relevant provision of the Code applies to the banking products and services described in this booklet. The general descriptive information referred to in the Code is set out in this booklet. This includes information about:

- account opening procedures;
- our obligations regarding the confidentiality of your information;
- complaint handling procedures;
- bank cheques;
- the advisability of you informing us promptly when you are in financial difficulty; and
- the advisability of you reading the terms and conditions applying to the relevant banking service.

31. The ePayments Code

The ePayments Code governs certain electronic payments to or from your account where you are an individual, for example using your RAMS debit card at ATMs and making payments using myRAMS. We will comply with the ePayments Code where it applies.

32. What happens if your details change?

If your address or other relevant details change, please notify us as soon as possible. This can be done easily through myRAMS.

If you wish to add a new account holder, or an account holder of a joint account wishes to be deleted from the account, the account must be closed.

Please note that unless you have given us adequate prior notification of account changes, we cannot be held responsible for any resulting errors or losses.

33. Privacy

We handle your personal information in accordance with the Privacy Statement in the application form for the products or service(s) applied for and in our privacy policy. Our privacy policy, available at **RAMS.com.au** or by calling **13 7267**, contains information about how we handle your personal information, including how to access your information, seek corrections and make complaints.

34. Communications

34.1 Communications to you

Communications relating to your accounts, including statements of account and notices of any changes to the Terms and Conditions, will be given in writing, or in any other way agreed with us. We may give communications in writing to you directly or by media advertisement. If you agree, we may also give communications in writing electronically – see clause 34.3.

34.2 Written communications

If we give you a written communication directly, we will send it to the most recent address you have given us. Where we send written notice by ordinary mail, we will regard that notice as given 5 business days after we post it.

You must ensure that your contact details are correct and up to date at all times. You must promptly inform us of any change to your name or address. If we cannot locate you after having made reasonable efforts to do so, we may stop operations on your account(s) until you give us your current contact details.

34.3 Electronic communication

If you agree, we may provide information to you:
