

Meet the RAMS Adelaide North East team

Ashlee Rawlings, Home Loan Manager

Ashlee is a Home Loan Manager with RAMS Adelaide North East. Joining our team in 2015, she has developed a portfolio of clients in the Modbury region, providing flexible lending options for home buyers.

Ashlee's experience is unique, providing her an advantage in advising new home buyers. In 2014, Ashlee bought her first home with a loan from RAMS and, soon after, joined our team. She knows firsthand that buying a house can be daunting, so her focus is on simplicity; making sure you understand the steps involved in obtaining your home loan, designing the most appropriate loan package, and providing the friendly support you need. She also assists self-employed borrowers and investors with residential property loans.

Before joining RAMS, Ashlee worked in the finance team for a trainee organisation. She then took on a client facing role at RAMS, before gaining certification in mortgage broking and becoming a loan writer. On weekends, you'll find Ashlee water-skiing, enjoying the river or beach lifestyle.
